

If you are looking for business with FINLAND

Register your company at BusinessFinland ExpertSear as International expert/supplier:

<https://expertsearch.businessfinland.fi/#/confirm>

Registration is free of charge and you can also browse **MarketOpportunities:**

<https://www.marketopportunities.fi/home/>

to find relevant partner in your industry segment

You can also contact following associations or find answers at the links:

Find reliable business contacts through **KauppakamariVerkko** web service. Use the **Chamber of Commerce's member database** to build your network and find new business partners. All 20,000 member organisations are listed in KauppakamariVerkko. By registering you can leave advertisements and business cooperation requests into the database or directly to other registered organisations. You can also answer to requests and receive them from other users. All searches are at your organisation's service.

<https://www.kauppakamariverkko.fi/>

The Contact Finland directory also helps foreign companies and authorities to find information, contacts and business services in Finland. The directory has been published since 1994, and its users include many embassies and diplomatic missions. **The directory – The Contact Finland.** <https://contactfinland.fi/?s=>

Finnish Suppliers: Search for Finnish companies and find the right products or solution providers for your needs. <https://www.businessfinland.fi/en/do-business-with-finland/finnish-suppliers/>

The Federation of Finnish Commerce - the interests of the entire sector of wholesale and retail trade. <http://kauppa.fi/eng/>

Enterprise Europe Network's Business Contact Database. You can use the Business Contact Database to search for sales channels, franchising partners, subcontractors, and logistics partners or to survey your opportunities for establishing a joint venture or implementing a corporate acquisition. <http://helsinki.chamber.fi/en/business-contacts/>

Finnpartnership's Matchmaking service

With the help of Finnpartnership's Matchmaking service companies and organisations in Finland and in developing countries can seek out new cooperation opportunities as well as inform their own business initiatives. Finnpartnership provides the matchmaking service free of charge.
